

877—25.13(22,96) Personally identifiable information. This rule describes the nature and extent of personally identifiable information which is collected, maintained, and retrieved by the agency by personal identifier in record systems as defined in rule 25.1(22,96). For each record system, this rule describes the legal authority for the collection of that information, the means of storage of that information and indicates whether a data processing system matches, collates, or permits the comparison of personally identifiable information in one record system with personally identifiable information in another record system.

25.13(1) The record systems maintained by the division are:

a. Employment records. These records are collected from each individual applying for employment and each employing unit offering employment pursuant to Iowa Code subsection 96.11(7) for the purpose of providing employment services to the individual and the employing unit. For a more complete description of the content of these records, see 877—Chapter 8. These records are stored in an automated data processing system and may be retrieved by a personal identifier.

b. Other groups of records routinely available for public inspection. This paragraph describes groups of records maintained by the agency other than in a record system as defined in rule 25.1(22,96):

(1) Published materials. The agency uses many legal and technical publications in its work. The public may inspect these publications upon request. Some of these materials may be protected by copyright law.

(2) Policy manuals. Manuals containing the policies and procedures for programs administered by the agency are available in the administrative office of the division. Subscriptions to all or part of the manuals are available at the cost of production and handling. Requests for subscription information should be addressed to the Custodian of the Record, Division of Workforce Development Center Administration, Department of Workforce Development, 150 Des Moines Street, Des Moines, Iowa 50309. Policy manuals do not contain information about persons.

(3) All other records that are not exempted from disclosure by law.

25.13(2) All data processing systems used by the agency permit the comparison of personally identifiable information in one record system with personally identifiable information in another record system.
